

Corporate View Point

J. K. Tex was established in 2008 with a dream and commitment to serve the nation in the field of Garments i.e. woven, knit and sweater. **J. K. Tex Garments** is one of the most successful textile manufacturers in Bangladesh; a country with great potential in the field of garment manufacturing. **J. K. Tex Garments** has acquired a versatile production chain to cater flexible orders in shorter lead time. **J. K. Tex Garments** assures the perfect blend of quality and efficiency.

Garments industry is the largest export industry for our country and it contributes 100% of total export oriented readymade garments. The industry is associated with its strength, weakness, threat and opportunity.

J. K. Tex Garments has passed over 7 years of accomplishment, aiming to lead the competitive garments organizations of Bangladesh. It has arduously re-engineered each step of its value chain to match the dynamism of the fashion market. **J. K. Tex Garments** has expanded its capacity, developed a skilled workforce and introduced integrated technologies, to remain globally up to date. It is truly an organization with a glorious past and a bright future.
